Dear Parents,

What a blessing it is to be a part of the ministry of CBCA. God is truly blessing this ministry. We have gained 26 new students since the start of the school year and are truly thankful for every student and the families they represent.

We are thrilled that the time is here once again for returning students to **re-enroll for the 2018-2019 school year**. A "Re-Enrollment Student Form" is included with this letter. Please complete the form at your earliest convenience and return it to the school office, along with the discounted registration fee of \$125 per child.

Our early registration fee of \$125 will be in effect through March 15, so we hope you will be able to take advantage of this opportunity to **save \$50 per child on your registration fee**. From March 15 through April 30 the registration fee will be \$150. Beginning May 1, the registration fee will increase to \$175. The tuition schedule for next school year will be available later in February. We do not anticipate a larger-than-normal tuition increase.

Our school theme this year is "Growing Together." The emphasis is on each of us growing individually as Christians, while at the same time growing together as a team. Of course, everything we do here revolves around sharing Christ with everyone we come into contact with. God is working through the ministry of CBCA to help our students become more like Christ.

Our program of continuous improvement includes offering opportunities for more challenging academics at every level. We are in the process of accelerating our math curriculum across the board and have introduced two new "Honors" classes in our senior high with more to follow next year. Our plan is to continue working to improve our academics for the foreseeable future so that we can do an even better job of helping our students reach their potential for Christ in every area.

Please pray with us as we continue to follow God's leading for the ministry of CBCA. We are excited to see what He has planned for us.

Sincerely,

Randy Thaxton
